Examples of Packaging & Brand Execution

Foot Massager

Body Massager

Inflatable Swim Ring for Adults

What are we looking for in 2026

Target Categories

- Sports & Fitness (dumbbells, yoga, massage)
- Home & Kids (toys, storage, decor)
- Water & Outdoor (pools, accessories)
- Garden & Seasonal
- Wellness & Sleep

MOQ Expectations

- Flexible MOQ for new products (500-1,000 units)
- Standard orders: 2,000+ units per SKU

Quality Level

- Certified materials (EAC, CE where applicable)
- Consistent QC with photo/video reports
- Defect rate < 2%

Target Price Segments

- Mid to Mid-Premium
- Focus on value-for-money, not lowest cost

Lead Time Requirements

- 30-45 days production time
- Ability to scale for peak seasons (Q3-Q4)

Packaging / Customization

- Custom packaging, labeling and branding required
- Ability to develop exclusive SKUs

Long-Term Cooperation

- 3-5 year partnership horizon
- Exclusive category agreements for top performers
- Annual volume growth commitments
